Best work according Master of Light standards
Jiri Sneider | Czech Republic

I was born (11.12.1979) and bred in Český Krumlov - Czech Republic where my home is.

Photography started to fascinate me around the year 1997. I have always been attracted by black & white photography, hence this constitutes of two thirds of my work. I've focused on portrait and travellers documentary.

Recently I have developed more thanks to travelling (Ukraine, Bangladesh, Armenia and Nagorno-Karabakh, Japan...). These destinations brought up many topics and situations of people at home, at work, going out, in streets, at religious rituals...
